American Heart Association (AHA) Basic Life Support CPR Training At Your Location

This nationally-recognized American Heart Association BLS (Healthcare Provider) course is designed to teach the skills of CPR for victims of all ages (including ventilation with a barrier device, a bag-mask device, and oxygen), use of an automated external defibrillator (AED), relief of foreign-body airway obstruction (FBAO) and two-rescuer CPR. It is intended for participants who provide healthcare to patients in a wide variety of settings, including in-hospital and out-of-hospital settings. This certification is valid for two (2) years. All classes are taught at your location.

Know CPR

Know CPR is the preferred choice for thousands of physicians, dentists, banks, law firms, daycare centers, churches, restaurants, associations, special interest clubs, and groups. Since 2002 Know CPR has taught over 75,000 people. We currently have instructors in DC, Baltimore, Richmond, NYC, Boston, Columbus, Chicago, Detroit, and Seattle.
