JUST 60 MINUTES -- AT YOUR LOCATION

<u>Class Size</u>	<u>Price</u>
1-5	\$150 Per Class
6-9	\$175 Per Class
10-19	\$200 Per Class
20+	\$10 Per Person

Know CPR, which has taught over 70,000 people CPR & First Aid, now offers Bloodborne Pathogen training. This class is designed for daycare providers, or anyone who needs basic training on bloodborne pathogens and communicable diseases. This American Safety & Health Institute bloodborne pathogens program includes information that will help students understand what bloodborne pathogens are and how risks of exposure can be reduced for themselves and others.

Topics covered include:

- What are and examples of communicable disease/illnesses
 - Hepatitis B
 - Hepatitis C
 - Human Immunodeficiency Virus (HIV)
- How diseases are spread and ways to reduce their spread
- Providers' role in reporting diseases
- Importance of health policies and procedures
- OSHA health and safety practices to protect against exposure to bloodborne pathogens
